Retailer Comments

* Canada Wide Delivery rates will vary depending on vehicle and location, please contact us for details. Incoming soon, call for details! -- XF is very hard to find. We had a 2021 come back in early off lease and it sold within 4 hours. We currently have this one in our showroom because it is that nice. The Checkered Flag trim with Yulong White on the outside and Ebony leather interior inside. Hard to fins and we suspect will be the only one we have to offer this year. Features Include: * In Control Apps * Apple Car Play/Android Auto * 10.2 Inch Touchscreen High Resolution * Lane Keep Assist * 360 Degree Park Aid * 825 W Meridian Sound System * Adaptive Cruise Control * 10 Way Heated Power Front Seats * Heated Steering Wheel * Navigation Touch Pro and so much more.... So why buy from a real Jaguar dealer? Regardless of new or pre-owned, your purchase with us will entitle you to the full brand experience. Exclusively benefit from personalized pick-up/drop off services, low finance rates, extended warranties, and dedicated on-brand technicians -- Dealer permit #0112 #3
